1. ABOUT THE PROJECT

REFINC empowers teachers with tools to support refugee students. Through training, resources, and shared practices, we help schools become inclusive environments where every child can thrive—no matter where they come from.

2. WHY IT MATTERS

Refugee children face educational barriers—from language and cultural gaps to trauma and discrimination. REFINC addresses these challenges with modern, compassionate solutions to ensure no child is left behind.

3. MAIN OBJECTIVES

- Improve teaching quality for refugee students
- Help refugee children complete their education
- Build a more inclusive, supportive school culture across Europe

4. KEY ACTIVITIES

- ◆ Online teacher training
 - ◆ Educational toolkit
 - ◆ Collection of best practices
 - ◆ Skill-building resources
 - ◆ Train-the-trainer modules
- All freely accessible and tailored for real classroom use.

5. TARGET GROUPS

👤 Primary & secondary school teachers

👦 Refugee children (ages 10–18)

REFINC supports educators so they can better support students.

6. EXPECTED IMPACT

- ✅ Better integration
- 📖 Higher learning outcomes
- 👥 Stronger teacher communities

🌍 A brighter future for refugee children through quality education and inclusive classrooms
